

The Department of Health presents...

The CHARADE OF NUMBERS

Starring: Dr. Andrew Hyland as "The ARTFUL DODGER"

Also appearing a star studded supporting cast

Dr. Chiyome Fukino

Deborah Zysman

Jean Evans

and too many more to mention at this time...

After a riveting 30 minute performance, we the public, still knew nothing of substance concerning the economic impact of Hawaii's current smoking ban. He told us everything we would ever want to know about New York, though-

When directly questioned following his performance, he artfully avoided giving a direct answer, or pre-qualified his answers with the new buzz word ANECDOTAL...

We weren't told how much the Department of Health is paying this man, but if he was being paid for artistry instead of content, they maybe they got their money's worth!

This production has been bought and paid for, unwilling, by you, tax paying citizens.

BAN THE BAN!
